

LITCHAM METHODIST CHURCH 2022/23

We continue to meet each Sunday at 10.30am. with attendances holding up well.

Our Thursday Coffee Mornings sre well attended and appreciated by those who come along to meet up for a chat. We are very aware that some of those who come along have very little social contact during the week, and welcome the chance to interact with others.

We are also exploring the possibility of a starting board games afternoon for anyone who might be interested.

We took the bold move last September of deciding not to hold our Harvest Festival service in the chapel, but instead to hold it at the Bull, along with a Harvest lunch. The event was a resounding success with a full house enjoying sausage and mash, followed up with the rousing singing of favourite harvest hymns.

We will be repeating this later on in the year, along with the possibility of a similar event at Christmas. Our Easter walks on Palm Sunday and Good Friday were even more popular and better attended than usual. Which is very encouraging.

We also co-organised two quiz nights in conjunction with the Jubilee Hall Committee, both of which were very successful.

We are delighted to have the continued support of Di Patterson with her various dance and exercise classes.

The search begins for a new Minister for the chapel, as the present incumbent, the Rev. Jacqui Horton, retires next year and we hope to know who her replacement will be at the beginning of 2024.

All in all, another positive year.

Stephen Lynn
