5. Open forum for Public Participation: an opportunity to hear from members of the public

The Clerk received correspondence from a complaint regarding the colour of the newly painted Deli shop. This has been inspected by the heritage department from Breckland and they have agreed that the new colour is suitable and the complaint will not be taken further. The Council also agreed with this decision that the colour is suitable. The Council was reminded that there is still £627.73 of S106 money still available and it was established that the Jubilee Hall has applied for this outstanding amount and waiting for confirmation that they have been successful.

6. To report and update on highways

A Clerk shared a list of completed and outstanding highway items to the Council before the meeting.

Further highway issues have been reported and these will be listed.

The Council agreed to now involve highways regarding the overgrown hedges and trees at the Junction of Tittleshall Road and Butt Lane. The homeowner has been contacted several times and has not taken the required action to cut back the debris which is now causing obstruction and is reducing visibility views for car users and pedestrians.
