12.2 Update on the implementation of the Trod

Cllr Oldfield had a meeting on site with the highways engineer and Cllr Kiddle-Morris. The proposed trod would have been implemented on the top of Back Lane/Tittleshall Road for the walkers to safely walk on the verge rather than the road. For many reasons, this will not be implemented due to not having sufficient width to implement the path, also the blind bend on Back Lane. The cost will be
